LIFE OF SAVAGE TRULY SENSIBLE

Ailments Almost Unknown by Aborigines Are Common Now.

The theory that most of the ailments of today are caused almost entirely by those habits that distinguish the white man from his long ago brother, the savage, is more widely discussed every day.

The savage, in many ways, was a more sensible being than the man who made war on him and then seized his birthright. It has been said, by medical authorities, that nine out of ten cases of sickness can be traced to a disordered stomach, and that the ailments are due, in a large measure, to excessive eating and drinking and a little healthful outdoor exercise.

Common sense should be used in our mode of living. It was with this end in view that Joseph Von Trimbach, the noted chemist and originator of so many health aids, gathered herbs, roots, barks and flowers from the most remote parts of the world and spent years of his life in experimenting and study before he arrived at the solution of the problem of relieving stomach troubles. He named his discovery Tanlac. Tanlac has met with great favor wherever it has been introduced. It has created a romance in the business world. Hundreds of thousands of sufferers have realized the benefits of this great reconstructive tonic.

Tanlac is believed to act more favorably, because of the nature of its ingredients, on ailments of the stomach, liver and kidneys, and on catarrhal affections of the mucous membranes, which, when neglected, are so often communicated to the vital organs themselves, than any other known preparation. This ideal reconstructive tonic, appetizer, invigorant and builder of tissues has been lauded by men and women in all walks of life. It has proved a boon for sufferers from those all too common ailments.

Tanlac now is being especially introduced in Barbourville at Herndon Drug Co., where the Tanlac man explains its merits and the results which may be expected from its use.

Tanlac may be obtained in the following nearby towns, Elys, New Hughes-Jellico Coal Co.; Bradel, Trosper Coal Co.; Artemus, L. T. Helton & Co.; Wilton, Jellico Coal Co.; Gray, C. B. Donaldson & S. E. Owens & Co.; Corbin, Archers Pharmacy; Pineville, Chas. Gragg; Shamrock, Climax Coal Co.; Middlesboro, Frank L. Lee; Gatlin, Gatlin Coal Co.; Williamsburg, E. E. Nelson.
